This map represents a portion of the Round 3 marine protected area (MPA) proposal developed by the MLPA North Coast Regional Stakeholder Group (NCRSG) for consideration by the MLPA Blue Ribbon Task Force. The MPAs are shown in geographic clusters and include the proposed commercial and recreational uses as well as the proposed recreational uses intended to accommodate tribes and tribal communities. Tribal uses were developed based on input from California north coast tribes and tribal communities. The NCRSG also developed a special closures recommendation; the special closures are a separate recommendation from the Round 3 NCRSG MPA Proposal. More information on the Round 3 NCRSG MPA Proposal, allowed uses intended to accommodate tribes and tribal communities, or the special closures recommendation can be found at [http://www.dfg.ca.gov/mlpa/mpaproposals\\_nc.asp](http://www.dfg.ca.gov/mlpa/mpaproposals_nc.asp).
